FAQ About Dumpster Rental Service

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 20-yard dumpster is usually sufficient, as it can handle debris like old cabinets, flooring, and drywall. The size needed may vary depending on the project scale, so consider estimating the volume of waste before renting.

How long can I keep a rented dumpster?

Most dumpster rental companies in Aurora, CO allow rentals for a week, but you can often extend the rental period for an additional fee. It's important to confirm the specific terms with your rental company to avoid any unexpected charges.

Are there items I can't throw in a dumpster?

Yes, certain items are prohibited in dumpsters, including hazardous materials like paints, chemicals, batteries, and appliances that contain refrigerants. Always check with your rental service for a comprehensive list of restricted items to avoid penalties.

How do I schedule a dumpster rental in Aurora, CO?

To schedule a dumpster rental in Aurora, CO, contact a local rental service via phone or their website. Provide details about your project, including the type and size of the dumpster needed, and your desired rental dates for a quote and availability.

How to Rent a Dumpster in Aurora

Renting a dumpster from Sterling Dumpster Rental is a straightforward and simple process. Just stick to these steps: first, contact our friendly team to discuss your project and determine the appropriate dumpster size. Next, we'll provide you with a clear, transparent quote. Once you approve, we will schedule a delivery time ***residential dumpster service Aurora*** that works for you. After your project is complete, we'll promptly pick up the dumpster at your request. It's that easy!

In conclusion, for anyone searching for a reliable, effective dumpster rental service, look no further than Sterling Dumpster Rental.
