2. **The Podium (Levels 1-- 5):** The video gaming flooring, high-end retail shopping malls, theaters, nightclubs, and massive buffet kitchens.

3. **The Transition Zone:** Mechanical floors, pool, dayclubs, and spa facilities.
4. **The Tower Proper:** Hundreds, sometimes thousands, of hotel spaces and VIP suites.
5. **The Crown:** Observation decks, rooftop lounges, and helipads.
