Understanding the Betting Layout

Before the wheel is spun, gamers have a restricted time to position their chips on several of the eight available wagering alternatives. These options represent the sectors discovered on the 54-segment wheel.

The Number Bets

- **1:** Appears 21 times on the wheel. Pays 1:1.
- **2:** Appears 13 times on the wheel. Pays 2:1.
- **5:** Appears 7 times on the wheel. Pays 5:1.
- **10:** Appears 4 times on the wheel. Pays 10:1.

The Bonus Games

- **Cash Hunt:** Appears 2 times on the wheel.
- **Pachinko:** Appears 2 times on the wheel.

- **Coin Flip:** Appears 4 times on the wheel.
- **Crazy Time:** Appears 1 time on the wheel.

The Magic of the Top Slot

Above the main money wheel sits the **Top Slot**, a tiny two-reel fruit machine that spins simultaneously with the wheel.

1. **Reel 1** screens one of the wagering options (a number or a bonus offer game).
2. **Reel 2** screens a random multiplier (ranging from 2x as much as 50x).

If the horizontal line in the Top Slot lines up a bet with a multiplier, that multiplier uses to that specific outcome for the upcoming spin. If the main wheel arrive on that outcome, any wins for that round are enhanced by the multiplier. If a perk round is activated with a Top Slot multiplier attached, the beginning multipliers inside the reward video game are instantly multiplied by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time lies in its four reward video games. Triggering among these rounds transfers players from the primary studio into a special augmented reality mini-game.

1. Coin Flip

The easiest of the perk rounds. A coin with a red side and a blue side is turned by a mechanical arm.

- Before the flip, random multipliers are assigned to both the red and blue sides.
- Whichever side lands face up wins the multiplier for the getting involved gamers.
- If the multipliers are low, a "Rescue Flip" can sometimes be triggered, offering gamers another opportunity at higher rewards.

2. Money Hunt

This reward game includes a **free play Crazy Time demo** huge screen displaying 108 random multipliers concealed behind shooting gallery signs (like a cactus, a target, or a duck).

- Players use an on-screen crosshair to aim and contend one symbol before the timer runs out.
- As soon as time expires, all symbols reveal their concealed multipliers, and the gamer gets the multiplier behind their chosen target. Every gamer gets to select their own spot, meaning various gamers can win various amounts.

3. Pachinko

Influenced by the conventional Japanese arcade video game, Pachinko includes a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs till it lands in one of the multiplier zones at the bottom.
- If the puck lands on a **"Double"** value, all multipliers at the bottom of the board double, and the puck is dropped once again, resulting in possibly huge payments.

4. Crazy Time

The ultimate bonus round takes players behind a red door into a surreal, whimsical virtual world including an enormous, 64-segment wheel.

- Players need to select one of 3 flappers: **Green, Blue, or Yellow**.
- The host spins the giant wheel.
- Whichever section the chosen flapper points to when the wheel stops is the reward granted.
- The wheel includes **"Double"** and **"Triple"** sections. If a flapper arrive at among these, all multipliers on the wheel double or triple, and the wheel is spun once again. This is where the game's legendary 20,000 x max multiplier can be attained.

Techniques and Tips for Playing Crazy Time

While Crazy Time is essentially a game of possibility identified by a random number generator (RNG) and physical physics, gamers typically use certain strategies to handle their bankroll and tailor their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus greatly on betting on **1** and **2**.
 - These numbers inhabit the majority of the wheel, suggesting they struck often.
 - This technique will not yield overnight fortunes, however it extends playtime and keeps the bankroll relatively steady.
- **The Bonus Hunter Strategy:**
 - Place little bets exclusively on the four bonus rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Since reward rounds appear on just 9 out of the 54 segments, this method needs perseverance and a durable bankroll, as droughts can occur. However, it places the gamer to catch the most significant payouts when the bonuses struck.
- **The Balanced Approach:**
 - Cover a mix of numbers and reward rounds. For example, positioning small bets on numbers to preserve your balance while wagering on particular reward video games to keep the enjoyment alive.

Best Practices for Bankroll Management

- **Set a Budget:** Decide just how much you want to invest before you start playing, and never ever chase losses.
- **Understand the RTP:** Keep in mind that number bets typically use a greater RTP than bonus bets, but reward bets provide considerably higher volatility and maximum win capacity.
- **Enjoy the Entertainment:** Crazy Time is a live entertainment program primarily. Treat any wagers as the expense of admission for an interactive show.
