What is the Crazy Time Slot?

Unlike traditional online slots that include spinning reels and paylines, the "Crazy Time slot" refers to a massive, vertically mounted mechanical wheel run by a live speaker. The wheel is divided into 54 sectors, including a mix of numbers (1, 2, 5, and 10) and 4 lucrative benefit video game symbols (*Coin Flip*, *Cash Hunt*, *Pachinko*, and *Crazy Time*).

Players position bets on which sector they think the flapper will point to when the wheel pulls up. Above the main wheel sits a secondary two-reel "Top Slot," which spins concurrently with every video game round. This Top Slot assigns a random multiplier to a random bet spot, possibly turbo charging payouts before the main wheel even stops.
