Deep Dive: The Four Bonus Rounds in Crazy Time

The primary reason gamers flock to Crazy Time-- and why observing them in a demonstration is so vital-- is the suite of four unique bonus offer rounds.

1. Coin Flip

- **How it works:** A simple red and blue coin is turned by a pneumatic gadget.
- **Demo Observation:** Before the flip, each side of the coin is appointed a random multiplier. Whichever color lands deal with up awards that multiplier to the gamer's bet.

2. Cash Hunt

- **How it works:** A massive screen displays 105 random multipliers concealed behind shooting gallery symbols (e.g., cacti, targets, stars).
- **Demo Observation:** Players take goal and fire at a symbol of their choice before the timer goes out. When time expires, all symbols expose their surprise multipliers.

3. Pachinko

- **How it works:** A glowing puck is fallen a large Pachinko wall filled with pegs.
- **Demonstration Observation:** The puck bounces down arbitrarily until it lands in a slot at the bottom, which grants a multiplier. If it lands on "DOUBLE," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

- **How it works:** The host opens a red door resulting in a surreal, virtual world behind the wall featuring an enormous 64-segment wheel.
- **Demonstration Observation:** Players select among three flappers (Green, Blue, or Yellow). The wheel spins, and whatever section the selected flapper points to is awarded. Multipliers can reach up to 20,000 x!
