Exploring the Four Bonus Rounds in Demo Play

The main factor players flock to Crazy Time is the reward rounds. When observing a demonstration, pay very close attention to how these perform:

1. Coin Flip

A simple 50/50 video game. A coin with a red side and a blue side is flipped by a maker. Each side receives a random multiplier before the flip. Whichever side lands face up awards that multiplier to the gamer's bet.

2. Cash Hunt

An enormous screen displays 105 random multipliers hidden behind shooting gallery targets. Gamers utilize a virtual cannon to aim and shoot at a target of their choice before time runs out, revealing their distinct multiplier.

3. Pachinko

Inspired by the traditional Japanese arcade game, a radiant puck is dropped from the top of a massive Pachinko wall filled with pegs. The puck bounces down until it lands in a multiplier slot at the bottom. If it hits "DOUBLE," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The holy grail of the game. The host opens a red door leading into a lively, surreal virtual world with a giant 64-segment wheel. Gamers choose one of three flappers (Green, Blue, or Yellow). The wheel spins, and whichever multiplier the selected flapper points to is awarded. Landing on "DOUBLE" or "TRIPLE" increases the values and triggers a re-spin as much as a staggering **20,000 x**.
