TRADE MORE, EARN MORE  
ONLY ON HTX

Save more on eligible HTX trades by using the **HTX Referral Code "cashback30"**. The code offers an advertised **30% discount on trading fees** and may also provide qualifying users with the opportunity to receive **up to 1,500 USDT in rewards**.

## HTX Referral Code "cashback30" Offer

The **"cashback30"** referral code can help eligible HTX users access trading fee savings through the applicable referral promotion. Users should enter the code during the relevant signup or promotional process and confirm the available benefits before completing any qualifying activity.

## How to Apply HTX Referral Code "cashback30"

1. Visit the HTX platform and begin the account registration process.
2. Enter your required information and create your account.
3. Apply the referral code **"cashback30"** in the designated referral field.

4. Complete any required verification and eligibility steps.
5. Confirm that the applicable referral benefits are displayed on your account.

## Get 30% Off HTX Trading Fees

By applying "**cashback30**", eligible users may receive a **30% discount on applicable trading fees**. This can help reduce trading expenses for users who meet the requirements of the active HTX referral offer.

## Earn Up to 1,500 USDT Rewards

The HTX promotion may also include rewards of **up to 1,500 USDT** for qualifying participants. Reward amounts, [HTX welcome offers](#) eligibility conditions, and promotional requirements may vary depending on the current campaign.

Check the latest HTX terms before participating and make sure the referral code "**cashback30**" has been accepted successfully to receive any applicable benefits.
