What is a CS: GO Case Battle?

A case battle is a multiplayer game mode hosted on third-party CS2 skin gaming and trading websites. Unlike opening cases alone in the game customer, a case battle permits multiple players (typically in between 2 and 4) to open the precise very same set of cases all at once.

The guidelines are basic:

1. **Buy-in:** All individuals contribute a set quantity of cases, funded by their site balance.
2. **The Drop:** The system opens the cases for all players round by round. Every item dropped is provided a real-world financial worth based on Steam Market or third-party pricing.
3. **The Winner:** At the end of the battle, the total worth of all skin drops for each player is determined. The player with the highest total worth wins **all** the items dropped in the match, consisting of those of their opponents.

If you are fortunate, you can win double, triple, or even ten times your initial buy-in. If you lose, you lose the cost of the cases.
