FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Fresno allow you to keep a rented dumpster for 7 to 10 days. However, you can often extend the rental period for an additional fee. It's important to clarify this with the rental company at the time of booking.

What size dumpster do I need for a home renovation project?

For a home renovation project in Fresno, a 10 to 20-yard dumpster is usually adequate. A 10-yard dumpster is suitable for smaller projects, while a 20-yard dumpster can handle larger renovations. Assess your project's scope to choose the right size.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials, tires, appliances, and electronics. Each dumpster rental company in Fresno may have specific restrictions, so it's essential to check their guidelines to avoid extra fees or penalties.

Do I need a permit for a dumpster rental in Fresno, CA?

In Fresno, a permit may be required for dumpster rentals placed on public streets or sidewalks. However, if the dumpster is placed on private property, a permit is generally not needed. It's best to consult with your rental company to determine if a permit is necessary for your situation.

The Benefits of Choosing Local

One of the primary advantages of selecting a local provider like Frontline Dumpster Rental for your dumpster rental needs is our knowledge with the Fresno area. We know the regulations governing waste disposal and can help you navigate any concerns that Dumpster Rental near Fresno may arise. Our tailored customer service ensures that you receive the guidance needed to select the right dumpster for your task, all while keeping your timeline and budget in mind.

Choosing the Right Size Dumpster

At Frontline Dumpster Rental, we provide a assortment of dumpster sizes, including 10-yard to 40-yard containers. When considering a dumpster rental, it's important to assess the extent of your project. A small home renovation might only require a 10 or 15-yard dumpster, whereas a major commercial construction site might necessitate a 30 or 40-yard option. Our knowledgeable staff can help you determine the appropriate size, ensuring you have enough capacity during your clean-up.

Streamlined Waste Disposal Process

Once you've picked your dumpster size, the process is easy. Frontline Dumpster Rental will work with you to set up delivery at a time that works best for your project. Our team will drop off the dumpster at https://frontlinedumpsterrental.com/ your location and will be available to answer any questions you may have. When you're finished filling it up, give us a call, and we'll quickly pick it up, disposing of the contents in a proper manner. Our goal is to make waste disposal in Fresno as smooth as possible.
