## FAQ About Dumpster Rental

### How much does it cost to rent a dumpster in Oklahoma City?

The cost to rent a dumpster in Oklahoma City typically ranges from $300 to $600, depending on the size and weight capacity. Factors such as rental duration, type of debris, and company fees can also influence the overall price. It's best to compare quotes from local providers to find the best deal.

### What sizes of dumpsters are available for rent?

In Oklahoma City, rental companies offer various dumpster sizes, commonly ranging from 10 to 40 cubic yards. Smaller dumpsters, like the 10-yard, are ideal for home cleanouts, while larger ones, such as the 40-yard, are suited for major construction projects. Choosing the right size depends on your specific needs.

### How long can I keep a rented dumpster?

Most dumpster rental companies in Oklahoma City allow you to keep the dumpster for a period of 7 to 14 days. However, you can often request an extension for an additional fee if more time is needed. Always check the rental agreement for specific terms and conditions.

### What can I put in a rented dumpster?

You can typically put various non-hazardous materials in a rented dumpster, including household junk, construction debris, and yard waste. However, items like hazardous materials, electronics, or tires are usually

prohibited. It's essential to check with your rental company for a detailed list of acceptable items.

### Do I need a permit for a dumpster rental in Oklahoma City?

In most cases, a permit is not needed for dumpster rentals in Oklahoma City if the dumpster is placed on private property. However, if you plan to put the dumpster on a public street or right-of-way, you will likely need to obtain a permit from the city. Always verify local regulations before placing your order.
