

The morning of your birthday party is not the time to be running around handling crises. The morning is the time to calm down, centre yourself, and get for the event ahead.

The team at Kollysphere, we have seen with our own eyes how a well-prepared birthday person enjoys their party much more than one who is worried and disorganised. This guide will show you the 10 things you should do the morning of your birthday party.

First. Have a Good Breakfast

You will need fuel for the day ahead. Eat a proper breakfast — something with protein, complex carbohydrates, and ample fluids. The team at Kollysphere recommend steering clear of too much caffeine and sugar, which can result in energy crashes afterwards in the day.

2. Review Your Run Sheet

Take a few instants to check your run sheet. Verify the times for vendor arrivals, set-up, and guest arrivals. Guarantee certain you are clear about what is occurring and when.

3. Check with Your Vendors

Fire off a brief WhatsApp to each of your essential vendors verifying their arrival times. This gives you reassurance and ensures that everyone is on the same page.

Fourth. Delegate Last-Minute Tasks

Don't endeavour to do everything on your own. Hand over any leftover tasks to your dependable friends and family. Doing so liberates you up to focus on enjoying the day.

Fifth. Get Ready Early

Commence getting ready earlier than you believe you need to. Doing so provides you a cushion in case something malfunctions. Our specialists advise beginning your hair and makeup process at least two hours before you need to set off.

6. Charge Your Devices

Ensure your mobile, camera, and any other electronics are fully powered up. Prepare a battery [birthday party event planner birthday planner malaysia birthday party planner kl](#) pack for safety. You will need your mobile to organise with vendors and attendees throughout the day.

7. Pack an Emergency Kit

The team at Kollysphere advise assembling a modest survival kit including adhesive bandages, analgesics, mints, oil-absorbing sheets, a sewing kit, and any specific medication you might need.

8. Have a Light Lunch

Never miss lunch, but do not eat a large meal either. A modest lunch will keep your stamina levels consistent free from causing you feel lethargic. The team at Kollysphere advise something lighter and wholesome.

Ninth. Pause and Breathe

Spend a few instants to sit calmly and breathe. This assists to settle your nerves and centre your thoughts. Keep in mind that the day ahead is about honouring you.
