For those wanting to understand how to bet on Crazy Time efficiently, navigating the betting design, comprehending the chances, and handling a bankroll are crucial elements to a balanced gaming experience. This guide explores the mechanics, techniques, and subtleties of positioning bets on this thrilling video game show.

What is Crazy Time?

Crazy Time is a live dealership video game show hosted in a lively, colorful studio controlled by an enormous 55-segment wheel. The video game is operated by a live speaker who spins the wheel and communicates with the audience.

The main objective for a gamer is to anticipate which section the wheel will stop on. However, the video game goes far beyond simple thinking; it presents a top slot that spins in tandem with the primary wheel, potentially granting huge multipliers to regular numbers or reward rounds on every single spin.

The Betting Layout

Before each round begins, players have a restricted time to place their chips on the betting grid. The board includes eight unique betting options, split between numeric payments and bonus offer games.

Bet Type Sections on Wheel Payment Odds Description **1** 21 1:1 The most common segment on the wheel. **2** 13 2:1 Uses double the stake on a win. **5** 7 5:1 A mid-tier number bet. **10** 4 10:1 The least regular numerical bet. **Money Hunt** 2 Perk Game A shooting gallery benefit with 108 random multipliers. **Pachinko** 2 Reward Game A puck drop bonus leading to multipliers or double zones. **Coin Flip** 4 Benefit Game A simple red vs. blue coin turn with multiplier rewards. **Crazy Time** 1 Reward Game The supreme benefit round behind the red door with an enormous secondary wheel.

Understanding the Bonus Rounds

The main tourist attraction of Crazy Time lies in its four reward rounds. While numeric bets keep the balance ticking, the bonus video games offer the capacity for the most considerable payouts, periodically rising to 20,000 x the player's stake.

- **Coin Flip:** A virtual coin with a red side and a blue side is flipped by the speaker. Each side gets a random multiplier before the flip. Whichever side lands deal with up awards that multiplier to the player's bet.
- **Cash Hunt:** Players are provided with a screen showing 108 random multipliers hidden behind shooting targets. Using a virtual cannon, the player picks a target, revealing their multiplier.
- **Pachinko:** A glowing puck is dropped from the top of a Pachinko wall filled with pegs. The puck bounces down up until it lands in among the multiplier slots at the bottom. If it hits a "Double" slot, all multipliers on the board double, and the puck is dropped again.

- **Crazy Time:** Players get in a virtual world behind a giant red door featuring an enormous 64-segment wheel. The gamer chooses one of three flappers (green, blue, or yellow). The wheel is spun, and whatever multiplier the picked flapper indicate is awarded. If it arrive at "Double" or "Triple," all multipliers increase, and the wheel spins again.
