

Players and families **Article source** based in the Novena and Newton areas of central Singapore regularly make the journey to LVL Music Academy's violin shop at Beauty World. The shop's reputation for quality instruments, honest advice, and skilled luthier services has drawn customers from across central Singapore, where the density of violin students attached to local schools and music programmes is high. For families in Novena and Newton, the Beauty World MRT makes LVL Music Academy easily accessible without a car. The journey from Novena MRT to Beauty World MRT on the Downtown Line takes around fifteen minutes, making a visit to the shop and back a manageable afternoon trip. Families who drive will find ample parking directly in front of the premises. Students attending schools in the Novena and Newton area, including those with active string orchestras or music programmes, are among LVL's regular customers. The shop is experienced in advising students at different stages of their school music journey and in matching instruments appropriately to the demands of school ensemble playing.
