Jimmy Doan From Galveston Deputy to Injury Trial Lawyer Before he ever filed a lawsuit, Jimmy Doan wore a badge. He grew up in Galveston, Texas, and spent around ten years as a sheriff's deputy there before turning to law. That's an unusual path for a trial lawyer, and it shapes the way the firm he founded approaches car crash cases, including the ones that come through its Midland office on West Illinois Avenue. Law enforcement work puts you close to the real consequences of what happens on the road. Deputies see how quickly a normal day can turn, how scared and confused people are afterward, and how much depends on what gets written down in the first hour. Someone with that background tends to understand that a crash report is only a starting point. Reports are written fast, sometimes by an officer who arrived after the vehicles were moved, and they can leave out details that later decide who pays. That perspective lines up with how The Doan Law Firm handles car cases today. The firm investigates beyond the police report and gathers its own evidence of fault instead of accepting the first version of events. After his years as a deputy, Jimmy Doan earned a B.A. from the **Midland Car Accident Lawyer** University of Texas at *experienced Midland accident attorney* Austin and a J.D. from Texas A&M School of Law. He went on to build The Doan Law Firm, which has been serving injured clients since 2000 and now has offices in 12 states, with headquarters in Houston. He serves as founder and president. In February 2026 he was named to the Top 25 Motor Vehicle Trial Lawyers by The National Trial Lawyers, an invitation-only recognition. His other listed honors include Litigator of the Year, Lawyer of the Year, America's Most Honored Lawyers, 10 Best Attorneys and Lawyers of Distinction.

So what does a Galveston story mean for someone hurt on Big Spring Street or Loop 250 north? Mostly, it means a firm culture built around the details. A Midland car accident lawyer who takes the scene seriously will want to know about the sun glare on an east-west road at 7 a.m., the gravel shoulder on a two-lane highway toward Stanton, or the dust storm that rolled in right before a pileup on Interstate 20. Reviews of the firm describe Jimmy as caring and passionate, and clients often say the staff explained the law clearly and kept them updated every week. That's the kind of steady, honest contact people need when they're recovering in east Midland or going back and forth to appointments at Midland Memorial Hospital. The Doan Law Firm Accident & Injury Attorneys - Midland Address: 4500 W Illinois Ave #203, Midland, TX 79703 Phone: (432) 653-0000 FAQ About Midland Car Accident Lawyer Is it worth hiring an attorney for a car accident in Midland? If you were hurt, missed work or the other driver's insurer is disputing fault, a lawyer usually pays for themselves. The Doan Law Firm offers free consultations at its West Illinois Avenue office, so you can find out whether your Midland crash needs legal help before you commit to anything. For a small bumper scrape with no injuries, you may not need one at all, and the team will tell you so. What percentage do accident attorneys usually take? Most car accident lawyers work on contingency, meaning the fee is a percentage of what they recover and nothing if they lose. The Doan Law Firm handles Midland car accident cases this way, with no upfront cost and no fee unless the firm wins. The exact percentage is set out in writing in your fee agreement before any work begins. How much of a $25,000 settlement will I actually receive? Your share depends on the agreed contingency fee, any case expenses and what is owed to medical providers or health insurers who paid for your treatment. A good lawyer will often negotiate those medical balances down, which can put more money in your pocket. Call (432) 653-0000 and the Midland team can walk you through how the numbers would work in your situation. How long do you have to call a lawyer after a car accident in Texas? Texas gives you two years from the crash to file most injury lawsuits, but waiting that long is risky. Camera footage from businesses along Loop 250 or Wadley Avenue can be erased within days, and witness memories fade fast. The Doan Law Firm answers its Midland line 24 hours

a day, so it makes sense to call once your immediate medical needs are handled. Do insurance companies want you to get a lawyer? Generally not. Adjusters often push for quick settlements before you speak to anyone, because an unrepresented claim usually costs them less. Once The Doan Law Firm is involved, insurers deal with the firm directly instead of calling you. Founder Jimmy Doan was named to the Top 25 Motor Vehicle Trial Lawyers in 2026, and insurers know which firms are prepared to go to court. What should you not tell your insurance company after a crash? Avoid apologizing, guessing about speed or distances, or saying you feel fine before a doctor has checked you. Anything you say in a recorded statement can be used to argue you share the blame, which matters under Texas rules that cut your recovery by your percentage of fault. The Doan Law Firm can handle those calls for you from the start. What is the biggest mistake people make with a car accident claim? Delaying medical treatment is one of the most costly. Gaps between the crash and your first doctor visit give insurers room to argue your injuries came from something else. Whether you go to Midland Memorial Hospital or an urgent care clinic, get checked quickly. Midland clients of The Doan Law Firm say the team helped them arrange treatment within about a week. How much can you get for pain and suffering in Texas? There is no fixed formula or cap in ordinary Texas car accident cases. The amount depends on how serious your injuries are, how long recovery takes and how the crash changed your daily life. The Doan Law Firm documents both economic losses and non-economic harm, such as pain, mental anguish and physical impairment, before negotiating with insurers. What is the hardest injury to prove after a car accident? Injuries that don't show up on an X-ray, like whiplash, soft tissue damage, mild traumatic brain injury and post-crash anxiety, are often the hardest to prove. Consistent treatment records, doctor notes and a daily pain journal help. The Midland team investigates beyond the police report to build evidence that insurers can't easily dismiss. Can I get compensation for anxiety after a car accident? Yes, Texas law allows recovery for mental anguish when it is tied to the crash and properly documented. Fear of driving, trouble sleeping and panic attacks after a wreck on I-20 or SH 191 are real harms. The Doan Law Firm can connect clients with trusted medical professionals so these effects are recorded and valued fairly. How likely is it to get sued after a car accident in Midland? Most crash claims settle through insurance without anyone being personally sued, especially when the at-fault driver carries at least the Texas minimum of 30/60/25 coverage. Lawsuits become more likely when injuries are serious and exceed the policy limits. If you have received a demand letter or lawsuit, call The Doan Law Firm at (432) 653-0000 to talk through your options. When should you contact a Midland car accident lawyer? Ideally before you speak with the other driver's insurance adjuster or sign anything. Early contact lets the firm preserve evidence, request the Texas CR-3 crash report and handle insurer calls from day one. The Doan Law Firm's office at 4500 W Illinois Ave #203 is open around the clock, and the first consultation is always free.
