What is a CS: GO Case Battle?

At its core, a case battle is a multiplayer variation of basic **Click for more** case opening. Instead of opening a case alone in the privacy of your stock, gamers go into a lobby where 2 to four participants purchase into a shared pool of cases.

As soon as the battle begins, every participant opens the exact same cases at the same time. The items are exposed round by round. At the end of the battle, the overall financial worth of all the skins dropped for each player is calculated. **The player with the highest cumulative skin worth wins the whole contents of the swimming pool.**

Secret Variations of Case Battles

- **1v1 Battles:** The timeless duel. Winner takes all.
- **1v1v1v1 (Free-for-All):** Four gamers get in, but just one wins the loot.
- **Team Battles (2v2 or 3v3):** Players pool their jackpots with colleagues, and the group with the highest combined value wins.
- **Terminal/Crazy Mode:** Unique video game modes where the rules are turned-- for example, the player with the *least expensive* total value wins the pot.
