Choosing a consistent text edition. Compare the student's page with the tutor's screen before relying on line numbers. The same passage may be laid out differently across books or apps. Save the edition details in the lesson note and check whether the next assignment opens to the intended place.

Joining letters on the page. Start with a familiar word from the *best online quran tuition uk* assigned primer. The teacher can point out where one printed shape meets the next without separating the sounds artificially. Try the same task on an unfamiliar word chosen by the teacher. Record which join needed a second look.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
