Many couples worry about feeling awkward in front of a camera, and easing that discomfort is one of the things Annie Paige Photography is best known for. Clients consistently describe feeling instantly comfortable, more like being photographed by a friend than a hired professional. That comfort tends to translate directly into more natural, authentic photos rather than stiff, posed images.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Building this rapport often https://cruzktvv728.alderbrief.com/posts/wedding-photography-for-large-bridal-parties-portland starts at the engagement session, well before the wedding day itself. Call (207) 841-4333 to see how this approach could wedding photographers Portland work for your wedding.
