Grimes IA homeowners have access to JLB Basement Waterproofing & Foundation Repair LLC's full range of foundation and [foundation repair](#) waterproofing services, extending across the Des Moines Metro from the company's central office. JLB's engineered approach to foundation repair, using piers driven to stable soil beneath the region's problem ground, is designed to provide a permanent solution rather than a temporary patch. The company's free estimate process, without high pressure sales tactics, gives Grimes homeowners a clear, honest assessment of their foundation before any commitment to repair work.
